

INSTRUCTIONS FOR GLADIATOR JOUST

REQUIRES 1 OPERATOR

- 1) 2 PARTICIPANTS CAN PLAY AT THE SAME TIME.
- 2) EACH PARTICIPANT MUST WEAR A SAFETY HELMET.
- 3) PARTICIPANTS STAND ON EACH PEDESTAL AND HOLD THE JOUSTING POLE WITH BOTH HANDS.
- 4) PARTICIPANTS TRY TO KNOCK EACH OTHER OFF THE PEDESTAL WITH THE JOUSTING POLE.
- 5) LAST ONE STILL ON THE PEDESTAL WINS.
- 6) IF THE BLOWER STOPS, GET THE PARTICIPANTS OFF OF THE JOUSTING RING IMMEDIATELY. CHECK THE POWER SOURCE... EITHER THE EXTENSION CORD WAS DISCONNECTED OR SOMETHING ELSE WAS PLUGGED INTO THE SAME CIRCUIT WHICH WOULD CAUSE AN OVERLOAD. PINCH OFF THE INFLATION TUBE TO STOP THE FLOW OF AIR TO THE BLOWER. WHEN THE BLOWER FAN HAS COME TO A COMPLETE STOP, RE-PLUG THE CORD INTO THE POWER SOURCE AND THE INFLATION UNIT WILL RE-INFLATE.
